

Dear Parent,

At the outset, we would like to express our thanks to you for entrusting us and choosing us as the first school of your child. We assure you that this journey of education will be memorable and fun filled for your child and seek your cooperation to make it happen.

All children must bring 1 fruit duly cut in pieces for the fruit break. Teacher will not cut the fruit.

Kindly take note of following events and activities for the month of May 2023 and request you to send the child as per the occasion / celebration –

1 May – Splash pool day - As children love to play in water, a child friendly splash pool for the blooming buds is ready for them to splash in summer season. Water play is more than just a fun. It helps developing the social skills and eradicating the water phobia (if any) in children. Please send following items with the child-

- a) One piece swimming costume for girls /swimming briefs for boys.
- b) Towel
- c) Undergarments
- d) A packet for keeping wet clothes
- e) Bathroom slippers . Please ensure that the items are properly labeled.

2 May - Lemonade making day – Children will learn how to make lemonade and its advantages during the summer.

Theme of this month will be Colors and Shapes – Colors play an important role and to introduce it to the children , school will celebrate as follows and request you to please send your child as mentioned below –

3-5-23 Red color day - Children must come in red color dress only and should bring any object like toy car, ball, apple etc. of red color .

5-5-23 Square shape day - Please send one object of square shape and health sandwich of square shape in the lunch box.

9-5-23 Green color day - Children need to come in green color dress and must carry any object or fruit or toy of green color.

11-5-23 Circle shape day- Please send any fruit and object which is round in shape like orange or ball on this day.
