

4-23

Dear Parent,

All children must bring 1 fruit duly cut in pieces for the fruit break. Teacher will not cut the fruit.

Kindly take note of following events and activities for the month of May 2023 and request you to send the child as per the occasion / celebration –

Theme of this month will be Hobby - Hobbies help us to manage our leisure and unplanned time it gives us joy and enriches our life. To inculcate this habit Children will learn about the need of hobby development and it's importance. It can be reading books, gardening, knitting, cooking, music, sports , coin collection, stamp collection etc.

Story of the month is – Greedy Dog

8 May – Kitchenette Activity – Sprout salad making – Class teacher will teach the benefits and ways to make healthy sprout salad with the help of fresh vegetables like cucumber, tomato, onion etc. You can send any one vegetable of the choice of your child.

11 May – Hobby celebration day – Child should come up with the collection of his hobby items and speak a few lines about his hobby and why does he likes it.
